Dear Sir

Date

## **QUOTATION: REQUEST FOR INFORMATION**

Thank you for requesting a quote for the provision of Elexpert high output LED lights. To be able to send you a comprehensive quote we kindly request you provide the following details:

- What are the area dimensions of building or area?
- How many light do you currently have?
- How far apart are the lights?
- At what height are the lights mounted?
- What type of light is used: High Bay, Low bay, other?
- What type of globe is used: HPS, Nickel halide?
- What type of reflector / glass cover is used?
- What is the power rating of the globes? (Watt)
- Would you like to do your own installation?
- Would you like us to do the installation on your behalf?
- Do you have your own electrician?
- Do you have a lift, platform or ladders to get to the lights?
- What is the current average light output on ground level at night?
- What light level is required in accordance with the luminance values specified in the Schedule to the regulations of the OSCH ACT?
- What tariff are you on from which supply authority.
- 

All these questions are very important, so we can give you the best possible quote, and be up to standard to your current needs. If you have any questions, do not hesitate to contact me.

Regards

Hendrik Barnard
